

Sumter County *School-to-Prison Pipeline*

2018-19

Schools are Under-resourced

Police Fill the Gaps

13

**Police Officers
in school**

When there are *not enough professionals* trained to serve students' needs and there are officers without clear responsibilities, students who need help end up facing criminal sanctions.

The number of police officers in Sumter County Schools *increased from 6 officers* in the 2014-15 school year **to 13 officers** in the 2018-19 school year.

41

Student Arrests

Sumter County School-to-Prison Pipeline

2018-19

Captured by the Criminal Justice System

Out of the **153** total youth arrests in Sumter County:

7
younger than 11.

46
eligible for pre-arrest diversion.

4
committed to residential programs.

3
charged in adult court.

Racial Disparities Persist

Statewide, Black students continued to be disproportionately subjected to exclusionary discipline, arrest and harsh punishment, like being charged as adults. This is despite a nearly 20% increase in the rate of white students arrested. Meanwhile, Black representation in teaching and school leadership continues to remain low.
